

Colonial Hills benefits from the service of approximately 40 trustees who give their time and effort to support the CHCA. Each trustee is responsible for a specific “District” of Colonial Hills consisting of approximately 20 homes. Trustees’ responsibilities include:

- Delivering the Couriers to each home in their district every month
- Conducting the membership drive for their district in the spring
- Delivering luminary bags to each home in their district in December

Each spring, trustees are treated to a dinner in appreciation for their service and to kick off the membership drive.

Thank you to all our trustees for their generous donation of time and effort! If you are interested in serving as a trustee, please contact the CHCA President Emma Lindholm: lindholmfamily653@gmail.com
