FRIDAY
DEC. 3
9 to 1

The biggest, most eye-catching list of door prizes ever offered in its three-year series of colorful celebrations is one of the highlights promised for Greater Colonial Hills' Third Annual Fall Dance.

The dance is being held in the newly-decorated building at Mac Park which now features gleaming aluminum from floor to ceiling.

The big affair is in celebration of the community's yearly fall drive for funds with which to carry out a long list of permanent civic improvements. Lively music will be furnished by Mac Toill and his seven-piece orchestra, who will play from 9:00 to 1:00.

Donations of only a dollar per person are being asked for participation in the drawing of prizes. Winners need not be present. Let's all get behind this big event and make it a real success.

Plenty of parking space! Coffee, doughnuts, and soft drinks will be available.
