

COLONIAL HILLS CIVIC ASSOCIATION, INC.

JUNE, 1960

4th of JULY: Plans are well under way for this big event. Lloyd Bartlett, 440 Colonial Avenue, General Chairman, has appointed the following chairmen for the various committees: Raffle, Paul Wheery; Bingo, Bob Caine; Kiddie Parade, Karl Krug; Bake Sale, Joy Bartlett; Fireworks, Phil Cameron; Midway, Walt Gnezda; Concessions, Dick Watson; Special Events, Ralph Sabock. Orville Milhoan, 1959 Pres., and Frank Weidman, 1959 General Chairman, have been very helpful to all the chairmen. The success we enjoyed last year makes their advice very valuable.

Our Publicity Chairman, Dick Watson, is handling publicity and George Day, Treasurer, will collect the money and pay the bills.

All of these chairmen will need help to run their end of the day's activities, so if you are asked to work for a short time, please do. If you haven't already been contacted and would like to help, call Lloyd Bartlett, TU5-5715. A schedule of the day's events will be published soon.

RAFFLE: Chairman Paul Wheery, 482 Meadoway Park, and his committee have selected a nice line of merchandise for prizes to be given away at our 4th Celebration. This should make our Raffle Ticket selling job an easy one. Paul says he has plenty of tickets, so when you run out call him, TU5-1322, and he will get more to you.

In addition to the prizes listed on the Raffle Tickets, THE WORTHINGTON FORD MOTOR SALES has donated a good used car to be given away. This is an item any of us could use. A big sale of tickets might be an indication that we appreciate their contribution in helping make our 4th Celebration a success.

PLAYGROUND: Ed Petrushka, 375 Selby, S., Playground Chairman, has completed plans for our summer supervised Playground Program starting June 20th thru August 5th. The supervisors this year are Ralph and Eula Sabock and Kathy Roche. We hope you will encourage your children to take advantage of this program. A Schedule of Activities is being distributed and will also be published in the Worthington News. For any further information, contact Ed Petrushka, TU5-1617.

KIDDIE PARADE: Our Kiddie Parade Chairman is Karl Krug, 430 Colonial Ave. This is the opening event of our 4th Celebration so let's encourage all the children to participate and get our day off to a good start. A special flier will be out soon giving more details, so watch for it.

TEENER'S CLUB: "Del" Wellman, Teen-Activities Chairman and his committee have been working hard and have the Record Hops ready to go come June 23. Remember you must be a member of the Teener's Club. Membership cards are FREE to any Junior and Senior High students living in Colonial Hills. Contact your Civic Association trustee in your block for your card.

WORTHINGTON COMMUNITY NIGHT AT JET STADIUM: This is being sponsored again this year by the Cardinal Boosters. It will be held on July 8th and the Jets will play Miami. Tickets can be purchased from any Little League player or at the Village Confectionary in Worthington.
