

COLONIAL HILLS CIVIC ASSOCIATION, INC.

September 19, 1960

JULY 4th - A FINANCIAL SUCCESS - The books have been checked and the figures look good. To be exact, our net profit for the day was \$2,592.00. The cooperation and support received from the residents of Colonial Hills was greatly appreciated by all the chairmen.

SUMMER PLAYGROUND PROGRAM - We have received many favorable comments regarding the fine program this year. Our thanks go to the supervisors, Mr. and Mrs. Ralph Saboch and Miss Kathy Roche for the many fun-filled hours they provided our children in this six week period. The average daily attendance was 140. Also, all the special events included in the program had many participants plus many interested spectators.

TEEN-ACTIVITIES COMMITTEE

Record Hops - The Committee wishes to report that this summer's series of ten Record Hops was enjoyed by some 300 teen-agers of our community each week. We feel this attendance record qualifies us to say our Record Hops were a huge success and were enjoyed by our teen-agers.

Bowling - The Committee regrets that the plans for the bowling league did not materialize, due to lack of interest among our teen-agers. However, we feel sure some other activity can be arranged for them. We are taking the liberty of forwarding the applications we did receive to the manager at the Graceland Bowling Lanes. Undoubtedly, some arrangements will be made to provide this recreation for our youths who are interested.

INDIANOLA AND SELBY PARKS - We think you will be glad to know that your Trustees are actively working on a program of improvements for our community. Indianola Park is being improved to provide facilities for recreation of our youths and possibly some of the adults. Plans to install a back stop and blacktop a basketball court are underway, weather permitting.

Numerous repairs to the equipment and shelter house at Selby Park have been made to insure the safety and enjoyment of our children.

FALL DANCE - Our Fall Dance will be held at the Beechwold Resturant on November 12th. Make plans early to attend. As Arthur and Kathryn would say, "To put a little fun in your life, try dancing".

CHRISTMAS LIGHTING CONTEST - Again this year we are sponsoring the Christmas Lighting Contest. Start planning now and win a prize!

NOTE - If at any time you have any comments regarding our activities, please feel free to discuss them with your District Trustee or your Association's president, C. Ray Burkhart, TU5-7343.
