

A Face Lift for Selby Park

As part of the renovation of the Selby Park playground, workers from the Worthington Dept. of Parks and Recreation will begin dismantling the old playground and sandbox in February.

Assembly of the new equipment is scheduled to be completed in March, but the equipment will not be safely usable until the rubberized play surface is installed.

For installation to take place, workers need a certain number of days where the temperature continuously exceeds a certain point. The best estimate has this occurring in mid April.

The new equipment is wonderful, and though we will have a few weeks of inconvenience, it will be well worth it.

Enjoy spring this year with the new playground equipment at Selby Park.

Pine-wood derby winners.

It was a noisy, fast, and exciting evening at the annual pinewood derby races hosted by the Colonial Hills boy scouts which took place on Thursday, January 27th at Colonial Hills school. There were a great many fast and well designed cars which made it an exciting evening for scouts and parents alike.

Although not everyone was able to take home a trophy, every scout that entered a car was a winner. They won in dedication to their troop, workmanship in the design and creation of their cars, and in the fun of competing with their fellow scouts.

Congratulations to all the scouts and parents, who made this a fun night for everyone.

The following were winners for speed:

First place – Nathan Roehrer,

Second place – Dustin Meier

Third place – Noel Hackman.

(Left) Pine-wood derby winners from left to right are Noel Hackman, third place, Dustin Meier, second place, and Nathan Roehrer, first place.

(Top right) Onlookers Stuart Lopez, Jacob Myers and Bennett Cross watch the cars whiz by.
