## President's Letter:

**THANK YOU RESIDENTS OF COLONIAL HILLS!**

Thank you for affording me the opportunity to be President of this great neighborhood for the past two years (and Secretary for many years before that!). What an honor to be the ambassador of our neighborhood! As much as I would like to continue to preside over the Civic Association, it is now time for me to focus on my oldest son's Kindergarten experience and my youngest son's "alone" time with me for the first time in his life!

I am so proud of and thankful for the residents (and non-residents, too) who have helped re-build the Association. We have established some updated goals. We've built good relationships with the City and its departments. We have Saturday morning breakfast socials at the CHCA Play Cafe. Our 5K Run sign was even featured on the Village Green this year! Do you remember the Colonial Hills Float made by our neighborhood residents that was featured in the Worthington Bicentennial Parade, the "Red, White, and Boom" Parade, and at last year's CHCA-sponsored 4th of July Celebration? We're more on top of issues facing our neighborhood than we have been for quite some time such as the

possible expansion of the Ohio Railway Museum, the OSU airport expansion, Harding Hospital ongoing, and the possibility of our Colonial Hills School closing. We even have a CHCA website in progress! None of these accomplishments would have occurred without PEOPLE to put them together. To those of you whom did help -- even in the smallest way -- I appreciate your support!

YOU are what makes this neighborhood so unique!

As the summer fades into the fall, and we all start to hibernate a little more, please remember the Civic Association always welcomes you to the meetings the second Wednesday of each month at the Shelter House. You'd be amazed at how many nice people you meet by being involved -- even if you just attend the meetings and share your thoughts. Volunteerism: doing for others, is a great way to help you grow personally, mentally, and professionally. And just like my new Kindergartener will learn this year, isn't sharing with others and being nice to each other the best way to be??

Thank you again for the fulfilling opportunity to serve you as President. I am always here to continue my "duty" even without the title, should you ever need something!

**Jennifer Button**

### Ned & Nora, our neighbors...

Welcome to all our new residents who have moved in over the summer. We all know this is a great neighborhood. Enjoy it and welcome!

School has started so please drive carefully. These are our neighbor's children, your children. Our neighborhood speed limit is 25 mph. (20 during school hours). Take some extra time and slow down!

School buses are now travelling our streets, so please don't park on the street close to an intersection. Give them room to turn. The drivers will be thankful!

Support your schools. Support your children. Support your neighborhood. We live in a great one.

Send your comments & ideas to us!

Write us at [CHCA@wowway.com](mailto:CHCA@wowway.com) or

### Brain-Buster Question of the Month !

Imagine that Earth is shrunk to the size of a baseball. On that scale, about how big and how far away is the Moon? Call Jack at 844-5122 with your answer. One winner will be randomly selected from all correct answers submitted before September 30, and will win a gift certificate to the Rusty Bucket. Answer to last month's question: 'El Capitan' is made of granite. Congratulations to Rose Vidmar on E. Selby for her correct answer! Great work, Rose!
