Thanks to Jeff Spain we had several donations this year. Business & Industry training services at Columbus State Community College donated the flyers, Road Id donated bib numbers and gift certificates, Barts Dry cleaning donated safety pins to attach the bib numbers and \$20 in cash, Fat Rabbit Racing and the Columbus Marathon donated the race clock, Starbucks donated the 200 cups that we used for the mid-race water stop, Kroger and Giant Eagle each donated \$25 gift certificates which were used for the post-race fruit for the runners, and Cynthia MacKenzie donated 200 water bottles for after the race. The race would not have been as successful as it was if not for the efforts of our many volunteers. Thank you to Dan Button who did all of the race day timing and coordinated some of the pre-race advertising, Jeff Soiu and his team from parks and rec for the sounds system and commentating, Doug Matthies for lots of pre-race consulting as well as the signs at the park and on the Village Green, Christine Hoersten and Judy Galasso for manning the race day registration table, Donnie Austin for passing out the water at the mid-race water stop. And a great big thank you to Jeff Spain for chairing the race and doing everything from soliciting donations and distributing flyers to spray painting the arrows on the ground and setting up cones at the crack of dawn on race day! Thanks to this outstanding team we raised **over** \$1500 for our scholarship fund!! Great job everyone!!
